- Applicants must be members of the Vasa Order of America for a minimum of two years before April 1, 2023. The member's initiation date determines membership duration.
- Enrollment in a full-time program at an institution of higher learning. University and post-secondary vocational programs qualify.
- The program judges evaluate applications based on merit.

The District Scholarship can be awarded a maximum of two times to the same recipient.

Applicants must submit the following documents to complete an application.

1. The completed application form postmarked by April 1, 2023.
2. A letter from your local lodge secretary:
 - a. Confirming the applicant has been a member for two years based upon their initiation date

3. A one-page description of Vasa activities, community service, leadership skills, or other talents. Please include information about any awards received.
4. An official, most recent grade transcript (or transcripts) must be mailed directly to me from your school's records or administrative office.

The District Master will announce the Scholarship awards no later than May 31. The District Secretary mails award checks to the institution where the student is enrolled. The District presents award certificates on Sweden Day, and Scholarship awardees are encouraged to attend this traditional District celebration.
